

Important Information on Check Orders

We recently switched check vendors from Harland Clarke to Main Street. What does that mean for you?

- **Lower Prices!** With Main Street, we are able to offer you a great product at a lower price.
- **New Designs** – Our standard design will have a new look. You can also customize your checks to your liking.
- **Ordering** – If you are ordering checks for the first time through Main Street, please contact your local branch office and they will place your first order. After you have ordered through Main Street for the first time, you can take advantage of online ordering here <https://orders.mainstreetinc.com/oes/main/applogin.aspx>

As *your* credit union, it is always our goal to serve every member well. If you have any questions about check orders, contact your local branch office.
