How do you want to GET REWARDED each month?

## Kasasa® — free checking that pays!

Our Kasasa checking accounts pay you in cash rewards and have no monthly service fees. We offer these accounts to Mercy Credit Union members as a way of saying, “thank you for banking with us!” You could be earning cash rewards while using your debit card for everyday errands and summer fun activities.

### Choose your cash reward.

You can choose which cash reward you want most — really **high interest** or **cash back** on your debit card purchases. And no matter which Kasasa checking account you choose, you’ll earn refunds on ATM withdrawal fees, nationwide.\* That way every ATM is your ATM.

### Earning rewards is easy.

The real beauty of Kasasa is that you earn rewards for doing simple activities you probably already do, like using your debit card. And there’s never a monthly service fee to worry about, even if you don’t earn your cash rewards.

Also ask us about the identity protection service, Kasasa Protect and the Executive Package bundle of banking services!
