Introducing: REMOTE CHECK DEPOSIT

Depositing checks from your mobile device (**Remote Check Deposit also known as Remote Deposit Capture**) is now a convenience available for *qualified* Mercy CU members.

1. You must meet the *qualifications listed to be eligible for the mobile deposit feature and you must be signed up for Mercy Home Banking. If you are not yet set up for home banking, go to www.mymercycu.com select account login and click Register Here. Enrolling in online/mobile banking does not automatically make you eligible for mobile deposit.
2. Then call the credit union and request "Remote Check Deposit" for your account.
3. Next, If you haven't already, download the Mercy Credit Union mobile application (App) for your iPhone or Android phone. **NOTE: If you have an ANDROID PHONE and have the Mercy CU App currently loaded on your phone, you must delete the App and re-load.**
4. Login to your account from your Mercy Credit Union Mobile App
 - Select Remote Deposit from the side menu. (Then the onscreen menu will guide you).
 - Endorse the back of the check with:
FOR REMOTE DEPOSIT ONLY, Mercy Credit Union, followed by your signature
 - Select which account you'd like the funds deposited to.
 - Enter the check amount.
5. The final step:
 - Make sure your check is endorsed with "**For Mercy Credit Union mobile deposit only**" on the back of the check, followed by your signature.
 - Snap photos of both the front and back of the check.
 - It is a recommendation, just in case, to keep the hard copy of the check for two months after the date of deposit or as soon as it appears on your statement. That gives two statement cycles to confirm the deposit, before deleting originals.

You're all set! Enjoy depositing checks at your convenience; anywhere, at any time.

Must meet these qualifications* to be eligible for mobile deposit feature:

- Must be a full service account (not cash only or share only)
- Account must be open for 30 days
- Member must be in good standing, no collections related activity, etc.

Limits:

- \$1,000 per check
- \$1,000 per day
- All deposits are subject to 3-day business hold.

Your savings are federally insured to at least \$250,000 and backed by the full faith and Credit of the United States Government. National Credit Union Administration, a U.S. Government Agency.
